

In House Activities

Paradise Cove sets on a small private coral beach facing some of the greatest snorkeling in the bay. The ocean is safe and accessible on low and high tide; Snorkeling gear and kayaks are available free of charge for all in-house guests to fully appreciate the beauty of the healthy and colorful reef just meters off the shore.

If you are certified diver, you will enjoy the many interesting dive sites in the bay with pick up from our jetty by the certified PADI local diver operator. Scuba diving certificate in only 3 days with practice sessions in the resort's pool.

Hire a mountain bike and explore the surrounding jungle and gardens or venture into town through the ups and down roads.

Jogging or tracking the many different paths through the village and the peninsula of Pango is the best way to meet the friendly local people, always happy to show you their magnificent land.

You can otherwise choose to be lazy on the hammocks or by the beach reading books from our exchange library, or play your own music through the iPod docks in your bungalow
