GUESTS TESTIMONIAL:

We had the most amazing time in Vanuatu.

Firstly the week in Paradise Cove was perfect, everyone loved Paradise Cove it was such a beautiful location with friendly and wonderful staff that enhanced our time there.

Our wedding was absolutely perfect, it was so well organised and ran smoothly and I really couldn't believe the next day how perfect it was. The food and drinks were magnificent and the setting for our reception and ceremony was just awesome. So many people commented on how beautiful it was and what a excellent place to be married. I would like to thank yourself, Sean and the wonderful staff at Paradise Cove Resort for creating a week of absolute enjoyment and relaxation and also for assisting me in organising a wedding that Cameron and I felt was absolutely perfect. We have reflected often commenting how wonderful our time there was, so thank you so much.

Thailand..... What an interesting place it is.... We had a lot of fun but no comparison to Vanuatu.... Vanuatu was amazing, beautiful beaches and just friendly lovely people. We had the best wedding and holiday week ever- all our guests say the same thing- it was just an excellent week all round and we are all wanting to get back there and really miss it.

Thankyou, Thankyou for a wonderful wedding, it was beyond what we were hoping for, The setting was devine, the flowers were wonderful, and what a surprise to have our room decorated as well!! -We really did get spoilt.

Father Gideon - what a wonderful person, If you see him please thank him again for us.

The whole holiday was beautiful and exactly why we chose the Paradise Cove- do nothing but enjoy nature in a beautiful

place.
Sean and his team, there is no one to single out as they were all fantastic, even your security guard, and I would hate it if I left someone out.
